

# MOHAWK REPORT

**WORKING, EXCELLING, SUCCEEDING**

## Be Respectful. Be Responsible. Be Safe.

### PTO Consignment Sale

The PTO will be having a consignment sale on Saturday, November 7 from 8:00-12:00. Mark your calendars to attend this worthwhile event. There will be bargains you just can't pass up. If you have signed up to participate in the yard sale, you may bring in your items next week from 8:00-2:00 daily.

### 1st Grading Period

#### Attendance

The following classes achieved at least 97% attendance for the first grading period. Attendance is one of the best indicators of a child's success in school. We understand that a child may become ill and must stay home. However, we strongly urge scheduling vacations that do not interfere with your child's attendance at school.

There is no better gift than literacy. To find out how we can make this a successful community program, please attend the meeting on Wednesday, November 11 at 7:00 in the WHS cafetorium. ### Vaccination Clinic

We know many of you have returned permission slips for the H1N1 vaccination. I am sure most of you have heard on television about the shortage in the vaccine. At this time, we are not aware of when the clinic will take place. As soon as we have been contacted by the local health department, we will make sure you are aware of the date, time and location.

### P/T Conferences

WES would like to thank the parents who took time out of their busy schedules to attend parent-teacher conferences. Communicating with the teacher is a priority in your child experiencing success in school. If you ever have questions on your child's academic performance or behavior, please do not hesitate to contact your child's teacher.
