ISTEP+ Student Reports

Last week, we sent home parent letters from the Department of Education that provide the password (invitation code) for you to access your child's Spring 2009 ISTEP+ scores on-line on or after September 15th. In next week's Friday folder, you will receive a copy of your child's student report for you to view. However, on-line is the only way you will be able to see your child's written work on the test.

Student Insurance

If you are interested in purchasing student insurance, please call the school or send a note with your child and we will send home a packet of information.
